ABOUT

WHAT IS NEXT PROTOCOL?

Next Protocol is building web3 and animation metaverse that utilizes blockchain technology for realizing "Play, Connect, Create and Earn" vision in multiplayer cloud gaming experience including designing, building, crafting, farming, games.

By gamifying several DeFi mechanisms, Next brings players a new dimension of mixed phygital entertainment and earning.

Our ecosystem will enable the community to participate voting for important decisions in our platform.

FEATURES

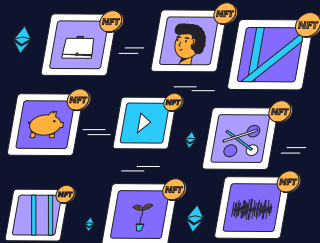

Use NEXTProtocol to build, create and collaborate characters to play next generation intelligent gaming in Web3 and animation metaverse.

Create your characters and deploy them with DeFi properties in multi level games
